*God is Faithful to Forgive*  
*Week 3: March 14, 2021*

*If we confess our sins, he is faithful and just and will forgive us  
of our sins and purify us from all unrighteousness. 1 John 1:9*

## **Read [1 John 1:1-10](#)**

After Adam and Eve sinned in the Garden of Eden they hid themselves from God. This is still our tendency today. When we sin we have a tendency to run and hide from God. Because of our feelings of shame we try to conceal ourselves in the darkness and stay out of the light. John wants us to avoid this pattern of behavior. John recognizes that genuine worship does not mean that we will live lives of moral perfection. We will all struggle with sin, and John wants us to be honest about our struggles. At the same time, he wants us to recognize that God's forgiveness is available to us. We might not feel like stepping into the light and letting God see everything in our hearts, but as we worship him (as imperfect as we are) God's forgiveness overwhelms all of the faults we expose to him. His forgiveness isn't based on how pure we are: it is based on how pure Jesus is. Furthermore, we must remember that according to this passage there is a very real danger when we do not repent: we make ourselves unable to be homes for the word of God, the gospel! ("If we claim we have not sinned, we make him out to be a liar and his word has no place in our lives.") As we spend focused time in prayer it is important that we take time to confess our sins before the Lord and claim the forgiveness he offers.

## **DISCUSSION QUESTIONS**

1. Can you relate to Adam and Eve when they hid from God after they sinned? When you sin do you struggle with coming back to God? How do you feel about your relationship with God after experiencing forgiveness?

2. When you think about the word forgiveness what ideas and Bible stories come to mind? Do you tend to focus on forgiveness relative to your relationship with God or your relationships with other people?
3. According to our passage what is the connection between forgiveness and purity before God? As you think about the word purity, do you tend to focus on the goal of a pure life or the sin which gets in the way of a pure life? If someone you cared about deeply came to you and asked for your help in growing in their purity (or holiness) what would you recommend they do? Did any particular verse in the passage you read stand out to you?
4. God's forgiveness is available to each of us as we seek to be pure. In verse 5 John makes it clear that Jesus came to take away our sins, but in the next verse he says that no one who lives in Jesus continues to sin. How do you reconcile these two verses in light of our own experience that we continue to struggle with sin even after we give our lives to Jesus? What are the implications of what you believe?
5. In his sermon, Pastor Andy talked about the idea that while confession depends on us (in the beginning of the verse), everything else (being forgiven and purified of all unrighteousness) depends on God? This means that even if we don't feel worthy to ask for forgiveness, we should trust that God is the one who will take care of things. What does 1 John 1:9 mean to you?
6. This final question, is for personal application (not necessarily for group sharing). In 1 John 2:28 John challenges the believers to be pure so that when Jesus returns they will be "confident and unashamed". In what areas of your life do you need to ask for forgiveness and make changes so that you will be "unashamed" when Jesus returns? Commit to praying about this area during the coming week.
